

PRESIDENT: Record your vote. Have you voted? Record.

CLERK: 25 ayes, 0 nays on the committee amendments, Mr. President.

PRESIDENT: The committee amendments are adopted.

CLERK: Mr. President, I now have an amendment offered by Senator Simon. I think that accomplishes the same thing that Senator Newell did. He asked to withdraw that.

PRESIDENT: It is withdrawn.

CLERK: Mr. President, Senator Stoney offers the following amendment: Read amendment found on page 1223, Legislative Journal, First Session. He asked to withdraw that, Mr. President. Mr. President, Senator Maresh now has an amendment. Mr. President, Senator Maresh moves to amend to provide two copies of laws and Journals of each session to the legislators. By Senator Maresh.

SENATOR MARESH: Mr. President, I believe everybody understands the amendment, that we receive only one copy of the daily Journal and the session laws. I think that we should be able to have one for our office at home and one here. So I move that this be adopted.

PRESIDENT: The Chair is going to rule the amendment out of order. It is not germane to the subject matter of the bill. The bill relates to the distribution of statutes. There is another section of statute that deals with the distribution of....what? You can do this on another bill but not on this one.

SENATOR MARESH: (Mike off) brought this up and, evidently, the Clerk wrote it up. I haven't signed the amendment yet, but if it is out of order, I withdraw that. I didn't even put it in.

PRESIDENT: It is all right either way but you are at liberty to pursue this but it is the Chair's opinion that it is not germane to the subject matter of the bill. I guess the ruling stands. Any further amendments?

CLERK: Yes, Mr. President. Senator Brennan now offers an amendment to LB 168. Read. (See page 289, Legislative Journal.)

PRESIDENT: Senator Brennan.

SENATOR BRENNAN: Mr. President and members of the Legislature, you finally have a meritorious amendment to this bill. You have an impact of \$167,000. I think the Clerk of the Court should have a set of books.

PRESIDENT: Any discussion? The question is the adoption... Senator Stoney.

SENATOR STONEY: Mr. President, members of the Legislature, the only thing that happens when you adopt an amendment such as this, it begins the old lot roll. It is one for this department, this agency and then you will have numerous requests. So I would caution you against this at the time
